Re: In the matter of John Dwyer

Dear Sir/Madam:

We submit his request pursuant to the Freedom of Information Act (FOIA). Our office represents the above named individual in a lawsuit relating to asbestos exposure.

During the course of his career, Mr. Dwyer worked at the Maxwell House facility in Hoboken, New Jersey. My office is requesting the following records:

1. Any and all documents related to asbestos abatement at the former Maxwell House facility in Hoboken, New Jersey from the years 1990 to 2005.
2. Any and all information on Genesis Abatement Services, including current address and/or contact information of Edward Eichen, owner.

As this request relates to a lawsuit, and is part of the process of Discovery, this request should be deemed as one made in the "other" category. At this time I am authorized to allow for any fees up to \$250.00 in relation to this request.

Should you have any questions, or require further information, please feel free to contact me.

Thank you for your time and assistance in this matter.

Very truly yours,

William L. Kuzmin
